Art Unit: 3663

1. Claim 1 is rejected as being based upon a defective reissue declaration under 35 U.S.C. 251.

The reissue oath/declaration filed with this application is defective because the error which is relied upon to support the reissue application is not an error upon which a reissue can be based. See 37 CFR 1.175(a)(1) and MPEP § 1414.

The declaration refers to an error in claim 1 in U.S. Patent 5,940,464. Applicant seeks a reissue of U.S. Patent 5,940,464 by way of narrowing claim 1. The same patent was subject to reexamination under 90/005,589 that has been examined recently and for which a NIRC was issued on 3/24/09. The NIRC cancels claim 1, and therefore the reissue being based on an error that does not exist.

The declaration should be amended to include an error to the patent, as amended by the 3/24/09 Reexamination Certificate, which error is corrected by the claims of the requested reissue. The amended claim(s) has (have) to be presented as starting with new claim 9.

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Rick Palabrica whose telephone number is 571-272-6880. The examiner can normally be reached on 6:00-4:30, Mon-Thurs.
